At the Book Shop

Today Ken and I went to the book shop after lunch. In the book shop, we saw a woman with an open handbag. She was reading a cookbook. After a while, Ken and I saw a man stare at the woman's handbag. He looked so suspicious.

Suddenly, Ken and I noticed the man stealing the woman's phone. We were shocked.

We immediately went to the woman and called 999. Finally, the man was caught by a policeman.

We were all very happy!
