### Chinese New Year

Today is Chinese New Year. I go to Korea with my mum, dad and sister.

When we arrive Korea, we go to snow field. My ski coach teaches me and my sister how to ski. My snowboard coach teaches me and my sister how to play snowboard. Besides, I play snowball games with my father and sister. I play sledging with my mum.

After playing, we eat seafood noodles in restaurant. We eat Korea fried chickens for midnight snacks in the hotel.

I am glad because I have many activities in Korea with my family. I can eat my favourite food, Korean fried chickens.
