A Diary Entry

23 June 20XX (Sun)

Dear Diary,

This morning Jessie and I went to the Science Museum by MTR. We were chatting about the museum. There was a man who had an open backpack.

Then, the man was talking on his mobile phone loudly. He didn't keep an eye on his backpack. The young girl beside him stole his wallet! We were surprised because she stole the man's wallet!

Finally, we called 999 to the police and the young girl was arrested by the police. Jessie and I learnt a lesson too. We should keep an eye on our belongings.
